Frequently Asked Questions

Information about insurance cover is a summary only. You should read the Combined PDS, Policy Terms & Conditions and FSG for full details of Terms and Conditions, Waiting Periods and Exclusions.

What Vet Expenses am I covered for?

You are covered for the listed eligible Vet Expenses for the Conditions outlined in 'Section 2.1 What you are covered for'.

These are:

- cancer;
- feline lower urinary tract disease;
- Gastrointestinal Problems;
- ingestion of a foreign object;
- poisoning;
- diabetes;
- hyperthyroidism;
- heart disease;
- outer and inner ear infections;
- arthritis; and
- renal disease.

What percentage of my Vet Expenses am I covered for?

We will reimburse you the Benefit Percentage which will be shown on your current Certificate of Insurance.

The Benefit Percentage for pets aged eight weeks to seven years is 80%.

Once your pet reaches eight years of age the Benefit Percentage will reduce to 65% at the next policy renewal.

For example, for a 65% Benefit Percentage we will reimburse you up to 65% of the eligible Vet Expenses (Benefit Limits and Sub-limits may also apply).

What Waiting Periods apply?

The Waiting Periods that apply are:

- 30 days – for Conditions covered under the policy except;
- six months – for cancer Conditions.

What is a Pre-existing Condition?

If any Condition existed or occurred prior to the Commencement Date of the First Policy Period or within any applicable Waiting Period, and you or your Vet were aware of the Condition, or a reasonable person in your circumstances would have been aware of the Condition, then it may be considered to be a Pre-existing Condition and excluded from Cover. This is the case, irrespective of whether the underlying or causative Condition was diagnosed at the time.

Whether such a Condition is a Pre-existing Condition will depend on its nature and experience. If your Pet has a Temporary Condition that has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date, it will no longer be excluded from Cover as a Pre-existing Condition. Chronic Conditions and several other specified Conditions cannot fall within this category. Hereditary Conditions and congenital Conditions will also not be considered to be a Pre-existing Condition if they have not shown noticeable signs, symptoms or an abnormality at any time before the Commencement Date of the First Policy Period or during any applicable Waiting Period.

Pre-existing Condition claim examples:

A pre-existing Temporary Condition that is covered

1. Prior the Commencement Date of the First Policy Period, your Pet has a case of gastroenteritis due to some dietary indiscretion. The Condition is treated and your Pet recovers. You then purchase a pet insurance policy. Two years later, your Pet has another unrelated case of gastroenteritis.

Your claim would be eligible for benefits because:

- The first gastroenteritis episode was a Temporary Condition, given that it normally resolves with Treatment and is not on the list of excluded Conditions in that definition.
 - There was more than an 18-month gap between the Conditions.
 - The second episode of gastroenteritis was not a Related Condition.
 - The Condition was not specifically excluded in the PDS.
-

2. Your Pet had a bacterial urinary tract infection (UTI) prior to the Commencement Date of the First Policy Period. The Condition is treated and resolved with antibiotics. Two years into the policy, your Pet suffers another UTI of a non-chronic nature. This claim would be eligible for benefits because:

- The first signs or symptoms of a UTI was a Temporary Condition that is normally resolved with Treatment and is not on the list of excluded Conditions in that definition.
- Your Pet did not have a UTI, or show any noticeable signs, symptoms or abnormality in relation to that Condition for more than an 18-month period.
- The Condition was not specifically excluded in the PDS.

A pre-existing
Chronic
Condition
that is not
covered

3. Your Pet has symptoms of renal failure within the applicable Waiting Period of the policy and is subsequently hospitalised and diagnosed with chronic kidney disease. Your Vet recommends ongoing dietary management of the disease. This claim is not covered, because you and your Vet became aware of the Condition within the 30-day Waiting Period for this Condition. Your Pet continues to stay on a prescription diet to manage this Condition for the next year.

Two years later, your Pet is hospitalised again for chronic kidney disease. This Condition is excluded from Cover because:

- You and your Vet first became aware of the Condition in the applicable Waiting Period.
- The Condition is not a Temporary Condition, as it falls under the definition of a Chronic Condition. This is because it was long-lasting, recurring and affected your Pet for a period greater than three months.
- As a result, it remains a Pre-existing Condition two years later.

4. Your Pet has had recurring diarrhoea since it was two-months old. This recurs for a period of greater than three months. You purchase a pet insurance policy and your Pet is diagnosed with inflammatory bowel disease.

Your claim would not be eligible for benefits because:

- The Condition is a Pre-existing Condition, given that you were aware of it prior to the Commencement Date of the First Policy Period.
- Your Pet's inflammatory bowel disease is not a Temporary Condition, as it is specifically excluded as a Chronic Condition. This is because it was long-lasting, recurring and affected your Pet for a period greater than three months.
- As a result, it remains a Pre-existing Condition two years later.

What is a Bilateral Condition?

A Bilateral Condition is a Condition affecting body parts of which the Pet has at least two, one on each side of the body (for example, ears, eyes, knees and elbows). Bilateral Conditions will generally be covered if you have the appropriate level of Cover, and the Condition is not a Pre-existing Condition or subject to a general exclusion.

However, when applying a limit or exclusion, a Bilateral Condition will be considered a single Condition. For example, if your Pet displays signs or symptoms of an ear Condition in the left ear prior to the Commencement Date of your First Policy Period or during the applicable Waiting Period, a subsequent ear infection in the right ear will still be considered to be a Pre-existing Condition (refer to the 'Bilateral Condition' definition).

What is a Temporary Condition?

A Temporary Condition is a Condition, which normally resolves with Treatment and which is not on the list of excluded Conditions in that definition. If your Pet has a Temporary Condition that occurred or existed prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period, but the Condition has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18 month period prior to your claim Treatment, it will no longer be excluded from your policy as a Pre-existing Condition.

What is a Chronic Condition?

A Chronic Condition is long-lasting or recurring in its effects and affects (or is present in) a Pet over a period greater than three months in total. Chronic Conditions may also be intermittent or managed with medication and/or prescription diets with intervals of remission. If your Pet has a Chronic Condition that occurred or existed prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period, it will always be excluded from your policy as a Pre-existing Condition.

For example:

Your Pet first showed signs of diabetes and has been receiving ongoing Treatment for four months immediately prior to the

Commencement Date of your First Policy Period. Diabetes is considered:

- a Pre-existing Condition because it occurred before the Commencement Date of the First Policy Period; and
- a Chronic Condition as it lasted for more than three months in total

Therefore, all expenses incurred for diabetes or related to diabetes will not be covered.

What exclusions apply?

As with most insurance products, there are certain situations in which you will not be covered. There are some general exclusions such as Pre-existing Conditions, dental procedures, fractured teeth, routine or preventative Treatments, some Elective Treatments and procedures and breeding or obstetrics. There may also be specific exclusions which may apply to specific levels of Cover.

It is important that you read all of your policy documentation for full details (including 'Section 2 – Your Cover', 'Section 3 – Additional Benefits', your Certificate of Insurance and 'Section 4 – General exclusions').

Will I have lifelong cover for my Pet?

Once your Pet is accepted and as long as we continue to provide this product and you continue to hold the policy without a break in cover and renew your policy, your Pet will be covered for eligible Vet Expenses for life (with cover subject to the applicable terms and conditions of the policy for each renewal period). The Benefit Percentage payable after your pet turns eight years of age will be reduced to 65% of eligible Vet Expenses. You can apply for Indoor Cat Cover as long as your cat is over eight weeks old and younger than nine years.

What if my claim reaches my annual Benefit Limit or Sub-limit?

Your annual Benefit Limit and Sub-limits are the maximum benefits that can be paid to you in any one Policy Period. If you do make a large claim and reach your policy limits, your policy limits will reset on your renewal date.

See the 'Benefit Limit(s) and Sub-limit(s)' definition for more information.

Can I seek pre-approval of my Pet's upcoming Treatment?

Yes. If your Pet requires Treatment and you wish to seek pre-approval of those costs, you can provide us with the itemised estimate of costs from your Vet, along with the Treatment required and relevant clinical records and/or veterinary history, and we will respond to you in writing with the outcome.

For more information see 'Section 7.1 – Claim Pre-approval'.

Note: Pre-approvals are not mandatory or required in order to make a claim under your policy.

What are the claim requirements for adopted Pets?

For adopted Pets, if you can provide us with proof of adoption or transfer of ownership papers we will only request veterinary history from the date you took ownership onwards. Refer to 'Section 7 – Claims' for full details on how to submit a claim and required documents.

What kind of Vet Consultations can I claim under my policy?

You can claim for Consultations in relation to Conditions covered by your policy. For example, under Indoor Cat Cover you can claim for Consultations in relation to stated Illnesses (for example in relation to diabetes).

Please note that routine health checks and vaccination visits are not coverable under your policy.

A Sub-limit applies to the Consultation fees that your Vet charges. This limit is stated on your Certificate of Insurance. When claiming for an eligible Condition, this limit only relates to the Consultation fee, and not any of the Treatments or medications your Pet may receive during the visit.

Are x-rays, blood tests and other diagnostic tests covered?

Yes. Similar to Consultation fees, you can claim for diagnostic expenses in relation to eligible Conditions covered by your policy. This means that elective or routine tests are not covered, nor are any tests related to a Pre-existing Condition.

Product Disclosure Statement

Hollard is solely responsible for the PDS and is the insurer under each Pounce Pet Insurance policy issued. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel Pounce Pet Insurance policies on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard. PetSure does not act for you. IAL is authorised to distribute and promote Pounce Pet Insurance but does not issue policies and is not involved in the assessment or payment of claims.

This PDS contains important information about:

- significant features and benefits of Pounce Pet Insurance;
- your duty of disclosure or your duty to take reasonable steps not to make a misrepresentation when applying for Pounce Pet Insurance;
- our internal and external dispute resolution procedures; and
- your cooling off rights when purchasing Pounce Pet Insurance.

Please note that, while this PDS provides a summary of the significant features and benefits of Pounce Pet Insurance, you must also read the Policy Terms and Conditions in this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover).

Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your policy printed on your Certificate of Insurance.

We may need to update this PDS from time to time. We'll do this if certain changes occur, and we are required and permitted by law to do so. We will issue you with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may issue you with notice of this information in other forms or keep an internal record of such changes. You can get a paper copy, or an electronic copy will be made available, of any changes free of charge by contacting us using the contact details on the back of this PDS.

Protection for your pets

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), Pounce Pet Insurance provides:

- financial assistance for Vet Expenses in respect of the insured Pet occurring or showing signs or symptoms of a Condition within the Policy Period and after any applicable Waiting Period and subject to any excluded Pre-existing Conditions or general exclusions; and
- Cover for eligible Vet Expenses (as well as allowing you to use the services of any Vet in Australia and, in some cases, overseas). 'Vet Expenses' are defined in 'Section 1 – Definitions' and may be subject to stated limits and applicable Waiting Periods.

If a Condition exists or occurs before the Commencement Date of your First Policy Period or within an applicable Waiting Period, and you or your Vet were aware of the Condition, or a reasonable person in your circumstances would have been aware of the Condition, it may be excluded from Cover as a Pre-existing Condition. Whether that is the case will depend on the nature and experience of the Condition (please refer to the definition of 'Pre-existing Condition').

If your Pet has a Temporary Condition that has not existed, occurred or shown signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date, it will no longer be excluded from Cover as a Pre-existing Condition. Chronic Conditions and several other specified Conditions that occur prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period cannot fall within this category and will always be excluded from Cover.

Understanding the limits of the Insurance

Pounce Pet Insurance transfers some of the financial risks Pet owners face for Vet Expenses from the insured to the insurer. However, Pounce Pet Insurance does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations like other forms of general insurance.

Coverage under this policy is restricted to the following diagnosed Conditions:

- cancer;
- feline lower urinary tract disease;
- Gastrointestinal Problems;
- ingestion of a foreign object;
- poisoning;
- diabetes;
- hyperthyroidism;
- heart disease;
- outer and inner ear infections;
- arthritis; and
- renal disease.

General exclusions include, but are not limited to, Conditions such as pregnancy, Elective Treatments and procedures, pet foods/diets and grooming. Medical Conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the Commencement Date of the First Policy Period or that arise during the applicable Waiting Period are considered Pre-existing Conditions and may be excluded from Cover. Pre-existing Conditions are assessed differently depending on whether they are Chronic Conditions or Temporary Conditions for your Pet. See the 'Pre-existing Condition' definition for more information.

Maximum monetary limits also apply to the benefits payable in any one Policy Period. These are called the Benefit Limit and can vary depending on the relevant cover.

Full details are specified in the Policy Terms and Conditions.

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, which may affect our decision to insure you and on what terms. You have this duty until we agree to insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and cancel your contract.

For contracts incepting and renewing from 5 October 2021, a different duty applies, and this is found under 'Duty to take reasonable care not to make a misrepresentation'.

Your duty to take reasonable care not to make a misrepresentation

For all contracts of insurance incepting and renewing on or after 5 October, the following duty to take reasonable care not to make a misrepresentation applies.

Before you enter into this insurance with us, you have a duty to take reasonable care not to make a misrepresentation under the Insurance Contracts Act 1984 (Cth).

The duty to take reasonable care not to make a misrepresentation applies until the contract is entered into (or renewed, varied, extended or reinstated as applicable).

Your duty to take reasonable care not to make a misrepresentation when you enter into the contract with us for the first time

Before you enter into this contract of insurance, you have a duty to take reasonable care not to make a misrepresentation. What that means is that you need to take reasonable care to provide honest, accurate and complete answers to any questions that we ask.

If you are not sure of the answers to any of our questions, you should take the time to find them. It is also important to understand that, in answering the questions, you are answering

for yourself and anyone else to whom the questions apply.

Your duty to take reasonable care not to make a misrepresentation when you renew, vary, extend or reinstate the contract

Before you renew, vary, extend or reinstate the contract of insurance, you have a duty to take reasonable care not to make a misrepresentation. What that means is that you need to take reasonable care to review the information included in your in your policy documentation (e.g. your renewal notice, Certificate of Insurance) and to inform us of any changes, where the information is no longer honest, accurate and complete.

If you are not sure if any of the information remains honest, accurate and complete, you should take the time to find out. It is also important to understand that, in reviewing the information, you are doing so for yourself and anyone else to whom the information applies.

If you do not comply with your duty to take reasonable care not to make a misrepresentation.

If you do not take reasonable care in answering our questions or inform us of changes to the information set out in your policy documentation, you may breach your duty. If that happens, your policy may be cancelled, or treated as if never existed, and any claim may be denied or not paid in full.

Calculating your premium

Your premium is calculated when your Pounce Pet Insurance policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.

The premium for new policies is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses).

Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, the Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live, your age and the species, breed, gender of your Pet, the current age of your Pet, the age you first insured your Pet, and other factors related to the cost of doing business. These same factors may be used to calculate your premium when you amend your coverage. Further information about renewal premiums can be found under 'Automatic renewal of your policy'. The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.

Minimum premiums and discounts / entitlements may apply, subject to certain criteria. Discounts / entitlements / premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts / entitlements. They are applied to the base premium calculated prior to any taxes being added.

Cooling off period

You have a full 21 days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your Pounce Pet Insurance policy. This is known as the "cooling off" period.

During this time, you may cancel the policy simply by contacting us. If we receive your request to cancel your policy within the 21-day period after the policy Commencement Date (or any renewal

date), we will give you a refund of any monies received since commencement or renewal, less any reasonable administrative and other transaction costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund. You cannot return your Pounce Pet Insurance policy if you have exercised any of your rights or powers under the policy (e.g. you have made a claim) within the 21-day cooling off period. After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in 'Section 6 – Cancellations'.

Financial Claims Scheme and Compensation Arrangements

Hollard is an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and is subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system. Because of this we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from the APRA website at fcs.gov.au.

Authorised for issue

This PDS including the Policy Terms and Conditions was prepared by Hollard. IAL and PetSure have given their consent to all statements by or about them in the form and context in which they are included and have not withdrawn as at the date of the PDS. These statements appear throughout the PDS.

Policy Terms & Conditions

The Pounce Pet Insurance policy

Upon acceptance of application for your Cover, you will be issued a Certificate of Insurance. We will issue a new Certificate of Insurance:

- on renewal of your policy each year; or
- if you or we change your Cover.

Your policy will continue for a period of 12 months from the policy Commencement Date unless cancelled by you under the cooling off period or cancellation provisions of the policy as explained in 'Section 6 – Cancellations'. We also have certain cancellation rights at law. For your convenience and to ensure continuity of cover for your Pet, we will automatically renew your policy each year (unless you have opted out of automatic renewals or contact us that you do not want to renew on the terms of the renewal notice) for as long as we continue to provide this product - refer to the 'Automatic renewal of your policy' section.

Your policy comprises the Certificate of Insurance, PDS, Policy Terms and Conditions, FSG and any endorsements issued by us from time to time.

The basis on which we insure you

Subject to the Terms and Conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet as per your selected Cover up to the specified Benefit Percentage, but subject to any applicable Benefit Limit which may apply, provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Condition(s) arose during the Policy Period;
- the Treatment occurred during the Policy Period, and
- the Condition is one of the stated Conditions in Section 2.

Where we agree to provide Cover under the policy we rely on the representations made by you during your application for insurance.

Coverage under the policy will depend on the level of Cover you have chosen. Your Certificate of Insurance will state your level of Cover as detailed in Section 2.

Additional benefit(s) may also be provided if specified on your Certificate of Insurance.

Automatic renewal of your policy

We will offer renewal of your policy every year for so long as we continue to provide this product. At least 14 days prior before your current policy expires we will send you a renewal notice confirming when your insurance will expire and the premium and terms on which your insurance will automatically renew for a further Policy Period. It will also remind you that you can opt out of the automatic renewal process and to check the limits of cover provided under the policy to see if your level of insurance cover remains appropriate for you.

Your Cover will be automatically renewed on the terms contained in the renewal notice (unless you have opted out of automatic renewals or contact us to tell us that you do not want to renew on the terms of the renewal notice) and we will deduct/charge the renewal premium from your nominated account/credit card. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms.

Every year, we review the cost of everyone's insurance with regards to a combination of factors as well as claims inflation across all our insured Pets. These factors include your Pet's age, breed, location, duration for which your Pet has been insured, claims history, as well as data relating to the health of Pets that are a similar age and breed. Your premium takes into account the average cost of care for Pets like yours.

We may also change the terms and conditions of the policy upon renewal based on the risk associated with insuring Pets like yours.

Should you renew your policy, you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your Duty of Disclosure and duty to take reasonable care not to make a misrepresentation. If you do not, we may reduce or refuse to pay a claim or cancel the policy.

Delivery of your policy documents and policy related communications

Unless you tell us otherwise or we tell you it is no longer suitable we will send your policy documents and policy related communications electronically. This includes email and/or other methods of electronic communication. You will need to provide us with your current email address and your current mobile phone number. Each electronic communication will be deemed to be received by you on the transmission date recorded in our systems. Where we deliver your policy documents and policy related communications by mail in printed form all such communications will be deemed to have been successfully delivered once mailed by us to your last notified postal address.

Some important things you should know

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period.

Your rights and duties under the policy cannot be transferred without our prior written consent.

It is a condition of Cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address you provided to us.

Section 1 – Definitions

When interpreting these Policy Terms and Conditions:

- references to the singular include the plural and vice versa, and to the masculine include the feminine and vice versa;
- monetary references are in Australian dollars; and
- a reference to any legislation contained in the policy includes any amendment, replacement, re-enactment or successor legislation.

Words that are capitalised have the special meaning explained below:

Benefit Limit(s) and Sub-limits mean the applicable amount(s) payable in any one Policy Period, in relation to the relevant Cover as specified in your Certificate of Insurance (determined as follows):

- if a Sub-limit for a particular Cover, item, Condition or Treatment on an individual or per claim basis is specified to apply in the Certificate of Insurance, we will not pay more than that amount (subject also to the overall annual Benefit Limits and Sub-limits not having been exceeded); and
- we will never pay more than the overall annual Benefit Level specified in your Certificate of Insurance.

Note: Benefit Limits and Sub-limits reset on renewal.

Benefit Percentage means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you, subject to any applicable Benefit Limits and Sub-limits. The applicable Benefit Percentage will be shown on your Certificate of Insurance.

The Benefit Percentage for Pets aged eight weeks to seven years is 80%.

Once your pet reaches eight years of age, the Benefit Percentage will reduce to 65% on the next policy renewal.

For example: for a 65% Benefit Percentage we will reimburse you for 65% of the eligible Vet Expenses, subject to Benefit Limits and Sub-Limits. Refer to 'Section 7.5 Examples of how we settle your claim' for an example of how claim payments are calculated.

Bilateral Condition means any Condition affecting body parts of which the Pet has at least two, one each side of the body (e.g. ears, eyes, knees and elbows).

Note: When applying a Benefit Limit or exclusion, a Bilateral Condition will be considered a single Condition.

For example:

1. If your Pet has had elbow dysplasia in the left elbow prior to the Commencement Date of the First Policy Period or during the applicable Waiting Period, which falls within the definition of Pre-existing Condition, subsequent elbow dysplasia in the right elbow will still be considered a Pre-existing Condition.
2. If your Pet suffers from a patella luxation in its left hind leg and arthritis in its right hind leg, this is not a Bilateral Condition, as patella luxation and arthritis are not the same Condition.

Certificate of Insurance means the relevant certificate we provide outlining the key details of the contract of insurance between you and us, and identifying the policy number, Commencement Date, End Date, Cover, insured Pet, schedule of benefits including Benefit Limits and Sub-limits.

Chronic Condition means a Condition that is long-lasting or recurring in its effects and affects (or is present in) your Pet over a period that is greater than three months in total (the three month period need not be consecutive). Chronic Conditions may also be intermittent or managed with medication and/or prescription diets with intervals of remission.

Examples include but are not limited to chronic or seasonal allergies, inflammatory bowel disease, diabetes, osteoarthritis, cancer and some autoimmune diseases.

This definition is relevant to determining whether a Condition is a Pre-existing Condition (please refer to the definitions of 'Pre-existing Condition' and 'Temporary Condition'). If a Chronic Condition is a Pre-existing Condition, it will be excluded from Cover.

For example:

1. Prior to the Commencement Date of your First Policy Period your Pet experienced symptoms of seasonal allergies for more than three months in total. The Condition would be a Chronic Condition, given that it is recurring in its effects. If the Condition otherwise falls within the definition of 'Pre-existing Condition' it will be excluded from coverage.

2. Your Pet showed signs of diabetes for at least three months prior to the Commencement Date of your First Policy Period. This would also be a Chronic Condition, given its long-lasting and recurring effects. If the Condition otherwise falls within the definition of 'Pre-existing Condition', it will be excluded from coverage and all expenses related to diabetes will be excluded.

Commencement Date means 11:59pm on the date when Cover for your Pet first started as shown on your Certificate of Insurance. Unless otherwise specified, this relates to the Commencement Date of your current Policy Period.

Condition means any manifestation of an Illness.

Consultation and other derivations means an examination performed by or under the supervision of a Vet, including a physical consultation, inpatient examination, in-hospital examination, health certificate, consultation or recheck consultation/visit, referral/ specialist consultation/visits, emergency and after-hours consultations/visits.

Cover means

- the Benefit Limits, Sub-limits, Benefit Percentage and any other options applicable to the policy you have selected; and
- where relevant, the Cover applicable under any previous policies you have held with us where the same or a substantially similar or a higher level of Cover was provided in the current Policy Period.

Information about the Cover can be found in Section 2 to Section 4.

Note: The Cover applying to your Pet for your current Policy Period is shown on your Certificate of Insurance. The Cover includes the Additional Benefits explained in Section 3.

Elective Treatment means a Treatment or surgery that is beneficial to your Pet but is not essential for your Pet's survival or does not form part of the Treatment for a Condition. Refer to Section 4 – General Exclusions.

End Date means 11:59pm on the date upon which your policy terminates and benefits cease shown on your Certificate of Insurance. Unless otherwise specified, this relates to the End Date

of your current Policy Period. **Note:** If the policy is cancelled, then the date of cancellation will be deemed to be the End Date.

First Policy Period means the time during which we first provided Cover to you.

Gastrointestinal Problems means any primary gastrointestinal Condition affecting the oesophagus, stomach and/or intestines.

GST means the Australian Goods and Services Tax at the officially published tax rate.

Illness means a sickness or disease which is listed in 'Section 2 - Your Cover' and is independent of any Pre-existing Condition.

Pet means the cat covered under the policy and named on your Certificate of Insurance.

Policy Period means the time during which we provide Cover as specified on your Certificate of Insurance.

Pre-existing Condition means a Condition that existed or occurred prior to the Commencement Date of your First Policy Period or within any applicable Waiting Period, of which you or your Vet were aware or a reasonable person in your circumstances would have been aware, irrespective of whether the underlying or causative Condition has been diagnosed, subject to the following:

- a Temporary Condition which has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date will not be a Pre-existing Condition (please refer to the definitions of 'Temporary Condition' and 'Chronic Condition');
- a Temporary Condition which we have agreed in writing will not be a Pre-existing Condition, following a Pre-existing Condition Review, will not be a Pre-existing Condition (please refer to the terms of a Pre-existing Condition Review); and
- a Related Condition of a Pre-existing Condition will also be a Pre-existing Condition.

(Please also refer to the definition of 'Condition', which includes a 'Bilateral Condition' and 'Related Condition')

For example: Six weeks prior to the Commencement Date of your First Policy Period, you notice your Pet has a Condition

involving limping on its left back leg and you take it to the Vet. Your Vet prescribes anti-inflammatory medication. 12 weeks after purchasing a policy the limping is diagnosed as degenerative joint disease. The Condition would be a Pre-existing Condition and excluded from Cover, notwithstanding that the diagnosis was not provided until after the Commencement Date.

Related Condition means a Condition that results from the same disease process, arises as a consequence of or has the same diagnostic classification as another Condition, regardless of the number of areas of your Pet's body that are affected.

For example:

1. If your Pet suffers from arthritis in its legs, all future occurrences of arthritis (e.g. in the back or neck) will be considered to be Related Conditions.
2. If your Pet suffers from diabetes and then develops a cataract as a consequence of the diabetes, the cataract will then be considered a Related Condition.
3. If your Pet suffers from a skin hotspot, then later suffers from ringworm on its skin, these are not Related Conditions, as the ringworm is not as a consequence of the hotspot, nor do they follow the same disease process or diagnostic classification.

Temporary Condition means a Condition which normally resolves with Treatment, other than:

- cruciate ligament Conditions;
- intervertebral disc disease;
- hip dysplasia;
- elbow dysplasia;
- patella luxation;
- endocrine diseases; and
- any other Chronic Condition.

This definition is relevant to determining whether a Condition is a Pre-existing Condition (please refer to the definition of 'Pre-existing Condition').

For example: Your Pet has dietary related gastroenteritis prior to the Commencement Date of your First Policy Period that is

resolved with medication. Your Pet does not suffer any further instances of dietary related gastroenteritis until three years later, when your Pet suffers another gastroenteritis episode. This Condition would be a Temporary Condition which has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to the second gastroenteritis episode, so would not be a Pre-existing Condition and would be coverable subject to your policy terms and conditions.

Treatment means reasonable and customary examinations Consultations, hospitalisation, surgery, x-rays, medication, diagnostic tests, nursing and other care and procedures provided by a Vet to relieve or cure a Condition during the Policy Period.

Vet means any veterinarian, veterinary specialist, animal hospital, animal clinic, or animal surgery, other than yourself, who is licensed in and currently registered in Australia (with the exception of additional benefits provided under 'Section 3 – Additional Benefits').

Vet Expenses means the reasonable and essential expenses incurred and paid in respect of Treatment provided by a Vet during the Policy Period, having regard to the circumstances in which the Treatment was provided.

Waiting Period means a period starting from the Commencement Date of the First Policy Period during which a Condition that exists or occurs of which you or your Vet are aware or a reasonable person in your circumstances would be aware, will be considered a Pre-existing Condition, subject to the terms of the definition of 'Pre-existing Condition' and unless otherwise stated on your Certificate of Insurance. See 'Section 2 – Your Cover' and 'Section 3 – Additional Benefits' for Waiting Periods that apply.

Section 2 - Your Cover

Indoor Cat Cover is applicable if:

- it is shown on your Certificate of Insurance; and
- your Pet was over eight weeks old and younger than nine years of age when Cover first commenced.

Pets over nine years of age will not qualify for Indoor Cat Cover where there has been a break, lapse or change in the level of Cover after reaching the age of nine.

Note: Pre-approvals are not mandatory or required in order to make a claim under your policy.

7.2 How to make a claim

Should you need to submit a claim, your Vet may be able to do this for you electronically, at the time of your visit. If you elect to have your Vet submit your claim on your behalf, we will still communicate with you regarding the status of your claim. If your Vet has agreed to submit your claim electronically on your behalf, you agree we are authorised to receive each such claim submitted. Alternatively, you can submit your claims online through the secure Pet Portal: <https://customer.pouncepetinsurance.com.au>

Simply upload your documentation and click submit (from your computer or your mobile device).

You can also complete a paper claim form and send your original documentation via post. If you choose to claim via post, the attending Vet must complete all sections on the claim form where designated and both you and the attending Vet must sign the claim form.

All claims must be completed carefully and honestly.

Claim forms are available by calling us on 1300 457 046 or www.pouncepetinsurance.com.au

7.3 Important claim information

1. All claims you submit must include itemised tax invoice(s), payment receipt(s) and applicable consultation notes. If submitting a claim by post all claim documentation must be originals and must be accompanied by a completed claim form.
2. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
3. When submitting a claim, please include all relevant invoices and clinical records from your Vet. Please **note**:
 - a. In some instances, we may require more information to process your claim, such as previous medical history or pathology / laboratory results. If this is the case, we will contact you for this information.
 - b. There may be also scenarios where we request additional veterinary history from current or previous Vets (such as if there is a large history gap) to ensure we have all relevant clinical information for your Pet.
 - c. For adopted Pets, veterinary history is only required from when you took ownership. If you can provide us with proof of adoption or transfer of ownership papers, we will only request veterinary history from the date you took ownership onwards.
4. All accounts must be paid in full prior to submission of your claim.
5. You agree that your Vet (current or previous) or any other service provider that provided Treatments to your Pet is authorised to release information and/or records to us about your Pet.
6. Where a Vet submits a claim on your behalf, you agree that the Vet is able to view the outcome and status of that claim and previous claims (where applicable).
7. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.

8. We will not reimburse you for the provision of any information required in the purchase and administration of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

7.4 Processing of your claim

1. We will deal directly with you regarding settlement of the claim. In the instance your Vet submits your claim on your behalf, they may receive status updates or payment on your behalf.
2. Unless we agree otherwise, we will pay you, not the Vet.
3. If expenses incurred by you with respect to the Treatment exceed what is reasonable and essential, having regard to the circumstances in which the Treatment was provided, then claim payments may be adjusted to the amount of reasonable and essential expenses.
4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims. For more details, see 'Section 8 – Fraud'.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.
8. You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.

7.5 Examples of how we settle your claim

The following calculations provide examples of how claims will be settled where Cover is provided (these examples are indicative of the manner of calculation only and include GST):

Example 1 — 80% Benefit Percentage (pet aged 0 -7 years)

Total amount of eligible Vet Expenses:	\$1,000
Total amount claimable after 80% Benefit Percentage applied:	\$800
Total claim benefit payment:	\$800
Your out-of-pocket expense:	\$200

Example 2 — 65% Benefit Percentage (pet aged 8+ years)

Total amount of eligible Vet Expenses:	\$1,000
Total amount claimable after 65% Benefit Percentage applied:	\$650
Total claim benefit payment:	\$650
Your out-of-pocket expense:	\$350

7.6 Our rights of recovery

If we have the right to recover any amount payable under the policy in relation to a claim from any other person, you must cooperate with us in any action we may take.

7.7 Other insurance arrangements

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other

insurance. Total benefits paid to you across all insurance cannot exceed your actual expenses.

It is unfortunate that with all types of insurance, fraud and attempted fraud can occur. We employ sophisticated fraud detection and prevention techniques to ensure we only pay out on genuine claims. By doing this we are protecting the interest of all policyholders.

You must not act in a fraudulent manner. If you or anyone acting for you:

- make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect;
- make a statement in support of a claim knowing the statement to be false in any respect;
- solicit your Vet to behave in a fraudulent manner regarding a claim;
- submit a document in support of a claim knowing the document to be forged or false in any respect; or
- make a claim in respect of any loss or damage caused by your wilful act or with your connivance.

Then:

1. we shall not pay the claim;
2. we shall not pay any other claim which has been or will be made under the policy;
3. we may at our option cancel the policy;
4. we may at our option cancel any other pet insurance policies you hold which are issued by Hollard;
5. we may be entitled to reclaim any payments already made to you in respect of such claims;
6. we may not make any refund of premium already paid;
7. we may inform the police of the circumstances; and
8. we may pursue legal proceedings.

Section 8 – Fraud

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank. None of Hollard, IAL or PetSure will be responsible for dishonour fees charged by your bank or financial institution. If your direct debit is dishonoured we will automatically retry for the outstanding amount within 14 days, and you may be charged a dishonour fee by PetSure.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

Section 9 – Direct Debit Request Summary

Changing your level of cover

1. If you opt to transfer your Pet to a level of Cover with different or additional benefits (including but not limited to a different Benefit Percentage or Benefit Limit, or additional coverage) then a new policy and Certificate of Insurance will be issued to you and your previous policy will be cancelled. Waiting Periods already served will not reapply, unless there has been a break or lapse in Cover. Please note that Waiting Periods for Conditions or items that were not covered under your previous policy will apply to your new level of Cover.
2. You cannot change your level of Cover in a Policy Period if a claim has been paid. To change your level of Cover after a claim has been paid, you will need to wait until your next renewal.
3. If you pay your premium via fortnightly or monthly instalments, there is no premium refund (including any remaining days of a current instalment period) when you change your level of Cover.
