<p>Frequently Asked Questions (page 8)</p>	<p>The FAQ “What is a Temporary Condition?” has been deleted and replaced with the following:</p> <p><i>A Temporary Condition is a Condition, which normally resolves with Treatment and which is not on the list of excluded Conditions in the ‘Temporary Condition’ definition in Section 1 - Definitions. <p>Automatic renewal of your policy (page 27)</p>	<p>The third paragraph under ‘Automatic renewal of your policy’ has been deleted and replaced with the following:</p> <p><i>Every year, we review the cost of everyone’s insurance with regards to a combination of factors as well as claims inflation across all our insured pets. These factors include your Pet’s age, breed, location, claims history, as well as data relating to the health of Pets that are a similar age and breed. Your premium takes into account the average cost of care for Pets like yours.</i></p>
<p>Section 1 – Definitions (page 33)</p>	<p>In the Definitions section, the definition of ‘Pre-existing Condition’ has been deleted and replaced as follows:</p> <p>Pre-existing Condition means a Condition that existed or occurred prior to the Commencement Date of the First Policy Period or within any applicable Waiting Period, of which you or your Vet were aware</p>

or a reasonable person in your circumstances would have been aware, irrespective of whether the underlying or causative Condition has been diagnosed. A Pre-existing Condition also includes a Related Condition or Bilateral Condition of a Pre-existing Condition.

After the end of any applicable Waiting Period, a Condition will no longer be considered a Pre-existing Condition if it is a Temporary Condition that:

- *has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date (please refer to the definitions of 'Temporary Condition', 'Chronic Condition' and 'Cruciate Ligament Condition');* or
- *we have agreed in writing will not be a Pre-existing Condition, following a Pre-existing Condition Review (please refer to the terms of a Pre-existing Condition Review).*

For example: Six weeks prior to the Commencement Date of the First Policy Period, you notice your Pet has a Condition involving limping on its left back leg and you take it to the Vet. Your Vet prescribes anti-inflammatory medication. 12 weeks after purchasing a policy the limping is diagnosed as degenerative joint disease. The Condition would be a Pre-existing Condition and excluded from Cover, notwithstanding that the diagnosis was not provided until after the Commencement Date.

**Section 5 –

Note: *If we accept and pay a claim under the policy, we may deduct the balance of any*

	<i>outstanding premium from the claim payment.</i>
